Dear Dr. McAllister:

Thank you so much for your letter of April 3 and the grant of $2,000 in partial support of the 1985 FASEB Conference on Smooth Muscle. On behalf of the FASEB Supporting Organization and especially for the participants in the meeting I heartily thank you for your kind response to my request.

We will certainly be happy to honor your request that the contribution be used for support only for those participants who are not from the industrial sector. We are also happy to hold a place available for a member of your staff and will greatly appreciate receiving an application form from them (enclosed) by May 31 at which time we plan to have our list of participants finalized.

I am delighted that you are able to support what I am sure will be a most worthy meeting. Again, I send my thanks.

With best regards,

Sincerely,

Kent Hermsmeyer
